Last week 9 THINGS DONE

STRUCTURE Site and profiles set up right

AUTHORITY Proof you are the trusted venue

RELEVANCE Pages match what people ask

SEO	**Profile now a pizza restaurant** RELEVANCE	Primary category was Fusion restaurant. Now Pizza restaurant, with Mexican, cocktail bar and bar alongside.
	Tuesday hours match the site STRUCTURE	Google showed 4:30pm, the venue opens 5pm. Fixed, so nobody turns up to a closed door.
	Melbourne Cup hours on Google STRUCTURE	Special hours added for Tue 3 Nov, open from 12pm, so the race-day lunch showed in search and Maps.
	Menu pages written as text RELEVANCE	Menus live only as 5 PDFs Google cannot read. Menu, drinks and happy hour, and specials pages drafted, with restaurant data markup and sitemap.
	Listings checked, fixes listed AUTHORITY	Shire Scout shows a different phone number, Sydney Expert wrong hours. No listing on TripAdvisor, Yelp, Zomato or TheFork.
	Maps baseline set, 7 searches AUTHORITY	Top 3 for pizza, Mexican, tacos, cocktail bar, restaurants and tequila bar near the venue. Website ranks 16th for pizza Cronulla.
	Site stats gap found STRUCTURE	Traffic recording stopped 13 Oct when the new site went live. The tracking tag is missing. Fix ready to add.
AI SEARCH	**AI answers baseline, 40 tests** AUTHORITY	Retro named in 5 of 40 answers across ChatGPT, Gemini and Perplexity. Margaritas is the one term that shows. Shire Scout and Time Out are the sources AI quotes.
	Wood-fired pizza guide drafted RELEVANCE	A Cronulla wood-fired pizza guide written for the site, aimed at the pizza, bottomless and margarita searches AI tools pull from.

This week UP NEXT

1. SEO **Add the menu, drinks and specials pages to the site.**
2. SEO **Add the tracking tag so site traffic records again.**
3. SEO **Correct Shire Scout and Sydney Expert, list on TripAdvisor.**
4. AI SEARCH **Publish the wood-fired pizza guide once approved.**
